=====

Assistant Professor with a specialization in Technical Communication and Rhetoric.
Requisition number: 77642

Tenure-track. 2/2 load guaranteed during first two years; 3/3 thereafter with opportunities for reduction to 3/2 or 2/2, depending on administrative responsibilities and graduate teaching. Graduate and undergraduate courses in the specialization; service on thesis and dissertation committees. We invite applications from all areas of technical communication and rhetoric. Experience with program administration is desirable. Ph.D. required. Candidates will be expected to develop a record of teaching, published scholarship, and service consistent with a research university.

The Technical Communication and Rhetoric Program at Texas Tech University facilitates communication in a complex society and advances the interdisciplinary study of rhetoric, science, and technology. We apply research to educate our students as scholars and practitioners, to strengthen the field through dissemination of knowledge, and to serve the community through professional leadership.
